

HOTEL GENEVA IS NOW RAIDED AFTER 25 YEARS

Resort on Fifty-Second Street
Invaded by Police and
Guests Turned Out.

The Hotel Geneva at No. 102 West Fifty-second street was raided last night as a disorderly house and the twelve guests found in its rooms were driven out into the dark. The clerk and manager, Joseph Tanetti, and Richard Bunker, a waiter, were arrested. Among the wife persons of the White Light district, it is great amazement for the police since it opened in 1890, despite universal whispers of mysterious scandals, which it has harbored, some of them involving names known in New York and Palm Beach as well as in New York.

The Geneva never got into the divorce courts. No piano tinkled from any window of it. Its brown stone front with brown curtains evoked nothing but a usual responsibility. To be sure it had a less leaf register, and double stairways and waiting rooms so arranged that patrons entering and leaving would not meet each other. But those who thought it a run down apartment hotel had no means of knowing the significance of its quiet lack of glitter.

Several weeks ago Commissioner Wells called the attention of Inspector Dwyer, in charge of the district, to the glaring inconsistency of valuing a hotel and cheaper pseudo hotels and allowing the Geneva, more notorious than all of them, to continue undisturbed. His staff was ordered to investigate its efforts on closing the resort. They reported nothing but failure. Five of these detectives were transferred last Monday and set to waiting the sidewalks.

The inspector went away for his twenty days' vacation yesterday morning. Last night Deputy Commissioner Humberger and Sgt. Quinn went before Magistrate Barlow in the Night Court and presented the evidence of two private investigators employed by the Deputy Commissioner. The witnesses charged that Tanetti and Bunker knowingly allowed the place to be used in an improper manner on the night of Nov. 11.

They were promptly arrested. The guests were turned out and a policeman

BLACKHEADS AND SMALL BOILS ON FACE

Disfiguring and Painful. Lay Awake
Nights in Real Agony. Cured a
Month from Time Started to Use
Cuticura Soap and Ointment.

617 Le Roy St., Watertown, N. Y. — "About two years ago I became afflicted with blackheads and small boils. The blackheads were not only very disfiguring but were also very painful. They would first appear as a blackhead, then would fester and I would have to open them and let the pus out frequently. I have lain awake many nights in real agony when these boils would appear on my chin and forehead. I also had them on my face in numbers, also in my ears. They burned and were exceedingly painful. I tried everything I could think of and everything friends would recommend, but got no relief whatever. I happened to see an advertisement of Cuticura Soap and Ointment and decided to send for some. I began the treatment at once and inside of a week there was a noticeable change. I applied the Cuticura Ointment and let it remain on a few minutes, then washed with Cuticura Soap and hot water. A month from the time I started to use Cuticura Soap and Ointment I was entirely cured." (Signed) Miss Daisy Chaston, Nov. 1, 1915. Cuticura Soap 25c. and Cuticura Ointment 50c. are sold everywhere. Liberal sample of each mailed free, with 25-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

"Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp."
